1.	Quality maintained in the services Provided to the learners	<p>The University endeavors to provide quality services to its learners right from entry to exit, both at Headquarters and Learner Support Centers. Starting with the facility for online admission and providing with flexibility of choice of courses in programmes the University tries to motivate the learners. Induction programmes are held at all the study centers to familiarize the learners with the curriculum and the services provided by the University. The Syllabus for all the programmes is as per U.G.C. prescribed syllabus where in the credit-hours per course/programme are assigned as per the U.G.C. mandated rules. The Self Learning Material (SLM) is structured on programme and course Learning Outcomes. The content is interactive and according to the logical and psychological considerations and appropriate use of graphics, figures, diagrams, Tables etc., which keep the learners engaged. Linkages to previous and subsequent stages of learning is inbuilt in the curriculum. Intended learning outcomes/Objectives are clearly mentioned at the outset of each section/lesson. Clear information on types of study activities/ assignments to be used by learners are provided on the University Web-site. Provision for blended learning, on-line exam registration and on-line evaluation have facilitated the students to undergo learning and write exams at their nearest study center and so eased, the students difficulties in travel to a minimum and there by help to concentrate on their studies. The three tier systems also helps in quick redressal of grievances at all levels. The Self Learning Material is dispatched to all learners through an efficient postal delivery system and course material is also provided for the students in PDF format, thus enabling them to choose the mode of learning best suited to them. The Audio Visual materials are clear with well defined objectives and are in format that are easily accessible by learners and compatible with web based delivery. The learning experiences allow for a diversity of methods like online classes, offline classes distributed learning, assignments lab practical sessions etc., and curriculum tries to enhance skills and competencies as</p>

		per national competency requirements envisioned in NEP-2020. Overall, the learners are provided with a host of services which try to familiarize, motivate and tread through the curricular processes and make learning on the hold whole an enjoyable process.	
2.	Self-evaluative and reflective exercises under taken for continual quality improvement in all the systems and processes of the Higher Educational Institution	The academic section undertakes reflective exercises at the beginning of the academic year for quality improvement in instruction and delivery mechanisms in various Deans' committee meetings. Also, feedback is collected from the students, co-ordinators and other stakeholders from time to time to understand the gaps if any in the services being provided and for correction of the same. The exam branch conducts Results Committee meeting before the announcement of results and tries to assess the general trend in evaluation and examination systems. Mechanisms/provisions to inform students about the university activities, provisions, modifications in curricular transactions are discussed in meetings of Directors. Zoom meetings are conducted with coordinators of Study centers to inform them of changes in administrative procedures, activities new courses and programmes.	
3.	Contribution in the identification of the key areas in which Higher Educational Institution should Maintain quality	The University has decided that the Self-Learning Material should be delivered swiftly to the learners as soon as they are enrolled in the programme of their choice. The course design is another area, where in the restructuring of courses in the wake of semesterisation of U.G. programme, suitable provision for skill enhancement courses was made. Provision for on-line evaluation for quick dissemination of results has helped to enhance learner satisfaction. It is also economically viable to the University.	
4.	Mechanism devised to ensure that the quality of Open and Distance Learning programmes matches with the quality of relevant programmes in conventional mode (For Dual Mode HEIs)	The syllabus adopted by the University is on par with the conventional Universities. The ODL regulations 2020 are followed in-toto by Dr. BRAOU with regard to course design and development as per the ODL norms the contact programmes have teachers of conventional Universities/regular colleges taking part. In teaching- learning activities and question paper setting and evaluation. Even in the course development, experienced teachers are involved so that, updated information is made accessible to learners.

6.2 Compliance status of 'Learner Support Centre'– As per Annexure –VIII of UGC (ODL Programmes and Online Programmes) Regulations, 2020

HEI shall mention the process followed for identification of LSCs and the agreement terms for providing support to the learners there by ensuring compliance to the LSCs provisions of the Regulations. The explicit details of approval by its Statutory Authorities / CIQA shall also be mentioned.

Learner Support Centers are established as per the UGC ODL Regulations,2020 . The University identifies the Learner Support Centers (LSCs) at recognized Government Colleges under the territorial jurisdiction of the HEI(Here, in Telangana and Andhra Pradesh)as per the students' requirement and demographic aspects and availability of academic, other staff and qualified counsellors. The University sends a committee to study the feasibility of establishing a Learner Support Center by identifying the human resources, infrastructure, the location of the college, the student population in the locale, transport facilities to students etc,. The college Principal also gives the information about the college buildings, college area, number of rooms, Technological support, Laboratory facilities, staff etc., in his report. The University takes into consideration the feasibility report of the committee as well as the Principal's readiness to establish a the study center and the economical viability and permits for establishment of study center after due procedure and permission from the University authorities, where on the LSC is assigned a center code, publicity is given in press and media and the LSC details are entered into the University website. The study center details are also made available in the printed prospectus for the information of the learners. The Principal identifies 3 senior most teachers of the rank of Assistant Professor, recommending one of them to the appointed as center coordinator. The center coordinator opens an account with SBI for financial transactions with the University. The University also requests the Principal to send the working staff details which the Center Coordinator /Principal are free to appoint as per the qualifications prescribed by the University. The host college/LSC now coordinates with the University and admissions and other activities like counseling, contact sessions etc,. commence.
