**6.2 Compliance status of 'Learner Support Centre'- As per Annexure-VIII of UGC (ODL Programmes and Online Programmes) Regulations, 2020**

HEI shall mention the process followed for identification of LSCs and the agreement terms for providing support to the learners thereby ensuring compliance to the LSCs provisions of the Regulations. The explicit details of approval by its Statutory Authorities/CIQA shall also be mentioned.

Learner Support Centers are established as per the UGC ODL Regulations, 2020. The University identifies the Learner Support Centers (LSCs) at recognized Government Colleges under the territorial jurisdiction of the HEI (Here, in Telangana and Andhra Pradesh) as per the students' requirement and demographic aspects and availability of academic, other staff and qualified counsellors. The University sends a committee to study the feasibility of establishing a Learner Support Center by identifying the human resources, infrastructure, the location of the college, the student population in the locale, transport facilities to students etc.,. The college Principal also gives the information about the college buildings, college area, number of rooms, Technological support, Laboratory facilities, staff etc., in his report. The University takes into consideration the feasibility report of the committee as well as the Principal's readiness to establish a the study center and the economical viability and permits for establishment of study center after due procedure and permission from the University authorities, where on the LSC is assigned a center code, publicity is given in press and media and the LSC details are entered into the University website. The study center details are also made available in the printed prospectus for the information of the learners. The Principal identifies 3 senior most teachers of the rank of Assistant Professor, recommending one of them to be appointed as center coordinator. The center coordinator opens an account with SBI for financial transactions with the University. The University also requests the Principal to send the working staff details which the Center Coordinator /Principal are free to appoint as per the qualifications prescribed by the University. The host college/LSC now coordinates with the University and admissions and other activities like counseling, contact sessions etc., commence.
